Disney Imagineers: Imagine, Design, Create

Explore the wonderful world of Disney and step into the shoes of an honorary Imagineer! In this class we'll tackle engineering challenges, discover the talented artists behind your favorite movies and theme park rides, and unleash your creativity through hands-on projects. We'll also build a portfolio of drawings and designs to jumpstart your journey as an illustrator or future imaginer. Get ready to dream, design, and bring your imagination to life.

10:15 a.m. – 12:15 p.m. Class 1302 (Estela Quintera)

***The Wild Robot* Adventures in Writing**

Join us as we dive into the world of *The Wild Robot* by Peter Brown! Through reading, discussions, and creative writing, we'll explore Roz the Robot's journey of survival, friendship, and self-discovery. We'll unleash our imaginations by crafting our own adventure stories, designing unique robot characters, and developing survival plans for wild environments. Perfect for young storytellers who love adventure and creativity!

1:30 p.m. – 3:30 p.m. Class 1303 (Cara Payne)

Miniature Masterpieces: Exploring Design Basics

Discover the exciting world of interior design. We'll explore the fundamentals of creating functional and visually appealing spaces while designing a miniature model bedroom for a "client." We'll engage with essential design principles, including color theory, symmetry, proportion and scale, contrast, and balance. We'll learn how to combine aesthetics with practical problem-solving to create harmonious and innovative interior layouts. We'll use both artistic expression and spatial reasoning skills to bring your imaginative ideas to life.
